

# EVENT NOTICE

On **SATURDAY OCTOBER 8<sup>TH</sup>**, Mt. Hutt Ski Area will host the **1<sup>st</sup> Annual BIKINIS FOR BREAST CANCER** in New Zealand. The event began in 2009

in the Alberta Rocky Mountains, Canada and is now expanding abroad to raise funds and awareness for the New Zealand Breast Cancer Foundation (NZBCF).

This is a fun event which is open to females of all ages.

All of the Participants will ski, snowboard or telemark down an easy course in an "S" formation in

their bikini tops and snow pants meeting in a central location at the base of the mountain. The event will be happening during the Spring Festival at Mt. Hutt so there will be lots going on!

To enter you will need to raise a minimum of \$75 in pledges through friends, relatives, co-workers or make a donation yourself. Pledges or donations that are collected can be as little or as much as an individual wants to give, just as long as the total is \$75 or more. There will be prizes as well including top fundraisers so we encourage you to raise as much money as you can for this cause.

For more information or to register for the 2011 NZ Bikinis for Breast Cancer Event, contact Danielle Sherman by email [race@mthutt.co.nz](mailto:race@mthutt.co.nz). Once you sign up you will be given your fundraising pledge sheet and additional event information. All registrations must be in by Friday, October 6th. Please pass this information along to your friends!
