

ELEVATE

Need some info about our Elevate Hilltop Hoods Night Ski Party on Friday?

We are expecting a huge turnout for this event and we may need to close the road if we reach capacity. So be sure to get here early and enjoy a few laps at night ski and tunes from our earlier DJs!

COST

This event is FREE to attend. If you want to get in a few laps of night ski you can use your season pass, or purchase a night ski pass for \$65. We recommend coming up earlier in the afternoon & skiing on a twilight pass which gives you access to the lifts from 12.30pm through till 9pm for only \$129.

HOW TO GET HERE

We highly recommend utilizing our buses that depart from the Snow Centre on Duke St. These will run continuously between 3pm – 7pm going up & departures back to town will commence from 5.30pm onwards. Our morning buses run from 8am – 12pm with departures every 20 minutes meaning you can ski or board all day and night. A return bus ride is only \$25 and passes can be purchased from the Snow Centre.

If you are driving, please find some friends and carpool! We are expecting a huge crowd and car parking is limited. If we reach capacity in our carparks the road will close, and it will strictly be one car down one car up.

Please no overnight parking on mountain. Our car parks often need to be gritted or cleared of snow before the next day and it may be necessary to tow abandoned vehicles. Any towing costs will be passed on to the registered owner.

FOOD & BEVERAGE

Please remember we are a licensed venue so bringing your own alcohol to the event is strictly prohibited. Intoxication will be monitored by staff and security. Intoxicated guests will not be allowed on ski buses or allowed entry into the event. We will be serving food and beverages all evening from our café and restaurant and want everyone to have fun but please drink responsibly! We will have free water stations throughout the building so you can stay hydrated.

WHAT TO WEAR?

Please remember this event is outside on a mountain so it's going to be mighty chilly! We suggest donning your ski pants, jackets and beanie and doing some epic dance moves to stay warm.
